Pro Citrus CONCENTRATED CLEANER & DEGREASER

Pro Citrus is formulated from natural organic solvents blended with emulsifiers and alkali builders. This produces a highly effective degreaser, which is non-toxic, completely biodegradable and environmentally safe. Has a wide range of applications for the removal of oil, grease and tar in situations where petroleum solvents and strong alkali cleaners are hazardous and environmentally objectionable. It can be used for manual cleaning as well as in pressure washers and steamers. Concentrated—can be diluted depending on cleaning task.
