

Tungsten Carbide Components

Pro Cut Industrial Supply Ltd. is proud to be a reliable supplier of precision manufactured, high quality, tungsten carbide components. Using our solid customer service foundation, we are committed to meeting our customers' carbide product needs. We supply the **oil and gas, mining, agriculture, forestry** and **manufacturing** industries with cost-effective carbide solutions. Here at Pro Cut we offer a full range of carbide grades and grain sizes in both **cobalt** and **nickel** binders, and can deliver carbide products in **sintered** or **precision-ground** form.

Leveraging our supply partner's extensive expertise, we work with our customers to provide custom design assistance to improve existing carbide components or develop innovative new components and applications. Their in-house engineering expertise and metallurgical laboratory allows us to develop a wide range of solutions.

Components

- ◆ Buttons/dome, chisel, serrated/press fit, braze-in.
- ◆ Grips
- ◆ Gauge blocks
- ◆ Nozzles
- ◆ Chisels
- ◆ Mechanical Seals
- ◆ Choke sleeves
- ◆ Choke beans
- ◆ Bushings and sleeves
- ◆ Punch dies, extrusion dies.
- ◆ Wear liners
- ◆ Saw tips
- ◆ Debarker components
- ◆ Scarifiers

* All products are inspected and certified prior to release to ensure consistency and traceability.
