## Tungsten Carbide Components

Pro Cut Industrial Supply Ltd. is proud to be a reliable supplier of precision manufactured, high quality tungsten carbide components.

Built on our years of providing the highest level of service we are committed to meeting our customers' carbide product needs.

Supplying the Oil and Gas, Mining, Agriculture, Forestry and Manufacturing markets. Pro Cut works closely with our customers to provide cost-effective carbide solutions. We offer a full range of carbide grades and grain sizes in both Cobalt and Nickel binders and can deliver carbide products in as-sintered or precision-ground form.

Leveraging our supplier partner's extensive expertise we work with many customers in providing custom design assistance to either improve existing carbide components or develop innovative new components and applications. Their in-house engineering expertise and metallurgical laboratory allows us to develop a wide range of solutions.

From a Quality Control perspective all products are inspected and certified prior to release to ensure consistency and traceability

### Components

- Buttons = Dome, Chisel, Serrated / Press fit, Braze In
  - Grips
  - Cuage Blocks
  - Nozzles
  - Chisels
- Mechanical Seals
  - Choke Sleeves
  - Choke Beans
- Bushings and Sleeves
- Punch Dies, Extrusion Dies
  - Wear Liners
  - Saw Tips
- Debarker Components
  - Scarifiers
